Subject: Airman Certificate in the Form of Plastic Card

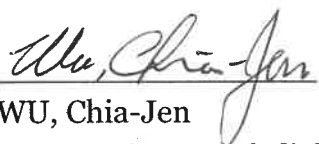

January 1, 2021

To Whom It May Concern,

Please be informed that the CAA Taiwan started issuing airman certificate in the form of plastic card from January 1, 2021. Although the CAA Taiwan is encouraging the holders of the certificate to apply for the replacement at the earliest opportunity, the holder of a certificate can exercise the privileges of that certificate as long as it is valid, no matter it is in the form of paper or plastic card.

The expected time for accomplishment is estimated at the end of year 2025. You may observe airman certificate in either format during this period. For further information regarding airman licensing, please feel free to contact the Chief of CAA Licensing Section Mr. Hsiao via [h786@mail.caa.gov.tw](mailto:h786@mail.caa.gov.tw).

Sincerely yours,

WU, Chia-Jen

Deputy Director of Flight Standards Division
