

# Civil Aeronautics administration Aviation Safety Bulletin

ASB No: 92-026/O

JUN, 2003

## Subject :

Enhance Control of Personal Airman Certificates.

## Background :

An aircraft dispatcher of a national carrier was found conducting dispatch duty with his airman certificate already expired, which was against the civil aviation law.

## Recommendation :

1. National carriers shall re-emphasize the necessity for airmen to conduct self-audit on the validity of their personal airman certificates, and to bring the certificates with them while on duty.
2. An effective internal airman certificate control scheme shall be established.
3. The validity and expired date of personal airman certificate shall be listed as a major check item for the self-audit process.
