

## Flight Safety Advisory Circular

FSAC No: 88/001/S

August, 1999

Subject:

**ALL NATIONAL CARRIERS SHOULD COOPERATE WITH AIRPORT POLICE  
TO PERFORM REQUIRED SECURITY CHECK.**

### Background:

On Aug. 24, 1999, a MD-90 aircraft flew from TSA to HUA. When aircraft landed at Hualien, there was an explosion in the forward cabin area resulting in a fire onboard. Passengers were evacuated via emergency exit and slides, several passengers received burned injuries.

### Recommendation:

Carriers should cooperate with airport police in performing security checks of all passengers, check in-baggage and cargo.

Carriers should have a procedure to insure the aircraft is thoroughly checked after landing for baggage/cargo left on board.

Airport police should ensure the security checks are being conducted properly.
